NOTE—Contn. sheet.

File No. of 18 SC 1.

No. 1704-583 dated 28th April 1919 Rys 28 E from the Railway Secretary.

The Financial Secretary has now agreed to my proposals which may be sanctioned.

As already stated in my note, the practice of checking bills with reference to rates and agreements in our Audit Office was discontinued about 2 years ago, the work being done by the departmental officers as required by Code and according to practice on other Railways.

The whole of para 4 of G.O. No. Fl.2612-61/ G.F.93-17-2 dated 28th November 1917 may therefore be modified as follows :-

" 4. Government agree with Mr. Datta and direct that the new arrangement suggested above be introduced with effect from 1st December 1917. The revised procedure to be followed is the same as described in detail in the Memorandum appended to G.O.No. 7550-99/ G.F.219-16-1 dated 2nd June 1917 except that in regard to temporary establishment chargeable to works the existing practice requiring submission of statement by each Division to the Agent for formal sanction may be continued ".

The file may, with the sanction of Second Member of Council, be sent back to Financial Department for amending para 4 of the order as above.
